Let Us Support You! MCC Support Groups

This month we're shining the spotlight on Montrose Counseling Center's support groups. MCC offers a variety of support groups that provide safe, confidential and affirming environments in which clients can share common experiences. Support groups are one of the many ways in which Montrose Counseling Center addresses quality of life issues in the gay, lesbian, bisexual and transgender communities. For some groups, an intake may be required if you are not already an MCC client. **Please call 713.529.0037** for further information or to schedule an intake appointment.

Homecoming for HATCH

The
 16th

HATCH Alternative Prom will be held from 7 p.m. to midnight on **Friday, June 13**, at HATCH's new home, 401 Branard, 1st floor.

Inspired by Pride Houston's theme, "We are Family," this year prom participants will "**Hustle down to Funky**

Town'' with 70's style.

The prom is **free** for gay, lesbian, bisexual and questioning youth, and their allies, ages 13 - 20. Many don't attend their own school dances because they are afraid of being teased or physically abused by peers.

A special invitation is extended to GLBT adults who may not have had the opportunity to attend their own high school prom dressed as they wished or with a same-sex date. **Anyone over the age of 21 may attend for a \$25 donation.** You may register at [Network for Good](#) by designating the donation for the Prom. For more information, or if you are interested in sponsoring the event, please contact Deb Murphy, Youth Services Specialist, at 713.529.3590.
